From the Commissioner of Police, No.Nil dated 1-9-47
From the Inspector General of Police, Foc.1675/A/Stat1/47, dated 4-10-1947.
From the Secretary, Central Road Traffic Board, No.13636/A2/47, dated 28-11-1947.

O R D E R:

With a view to enable the Transport authorities to have some check over the accidents in their respective jurisdictions and also to enable them to judge the standard of efficiency of transport operators and exercise effective control over them, the Government consider that full particulars of all motor vehicle accidents in which transport vehicles are involved should be reported to the transport authorities so that they may make the necessary entries in the history sheets of the operators concerned and thus collect the statistics required for judging the efficiency of each operator. The Government therefore direct that station House Officers should report all Motor Vehicle accidents in which transport vehicles are involved, as soon as they occur, to the R.T.Os concerned in the form appended to this order and should also intimate the result of police investigation to them as soon as it is completed. Entries 1 to 9 of the Form should be filled in by the Station House Officers at the time of report and entries 11 and 12 by the R.T.Os. Entries 10 and 13 of the Form should be filled in by the Station House Officer or the R.T.O. according as the information is available at the time of sending the report or after it. From the reports received, the R.T.O.s should, after making the necessary entries in the history sheets, compile quarterly returns adopting the appended Form with an additional entry for their remarks, and send them to the Central Road Traffic Board so as to reach the Board not later than the 15th of April, 15th of July, 15th of October and 15th of January in respect of the four quarters of each year. The returns in respect of Madras City should be compiled and submitted to the Central Road Traffic Board by the Deputy Commissioner of Police, Traffic & Licensing, Madras. The Board should consolidate these returns and submit to Government with its remarks, an analysis in a suitable form, of the returns received in each quarter for the whole Province. The analysis should reach Government not later than the 1st of May, 1st of August, 1st of November and 1st of February in respect of the four quarters of each year.

2. The Central Road Traffic Board and Inspector General of Police are requested to issue necessary instructions to give effect to the orders in paragraph 1 above.
